

Adding LTIP Benefits

Last Modified on 12/04/2019 3:24 pm EST

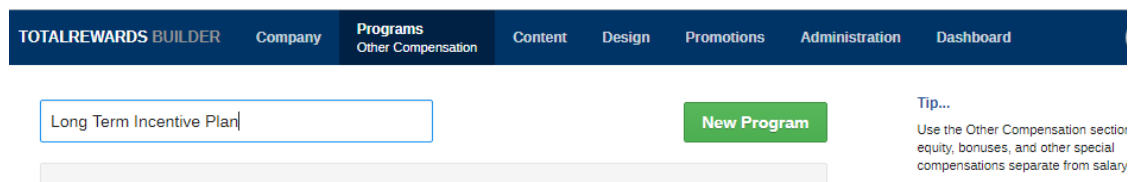

The Long Term Incentive Plan is a very valuable incentive to outline in the TotalRewards statements. Below are the steps to take in order to add this additional section in the statements that will highlight the Long Term Incentive Plan.

To create LTIP programs:

Go to **Programs**, then choose **Other Compensation** from the drop-down to benefits programs.

Rename the **Title** to "Long Term Incentive Plan"

Then click **New Program** and enter the **Benefits Name** on the **Unnamed** field.

Repeat the same process to **add** more Benefits programs.

Tip...

Use the Other Compensation section for equity, bonuses, and other special compensations separate from salary.

The above is a recommended layout for LTIP. Adding an Additional Column will allow us to show the **Non-Vested Amount**.

Then hit the **Save** button.
